A message from Mrs Simpson

Thank you to everyone who contributed to our 'Vision' afternoon on Tuesday. I will now take all the comments and views and develop a revised vision statement for the school which will form the basis of our development over the next three years.

A huge 'well done' to our swimming team for their immense effort at the inter schools gala. They demonstrated determination and courage throughout the afternoon and were superb ambassadors for the school. I was very impressed with the quality of their stroke technique. Go Team St Andrew's!

This coming Sunday is 'Second Sunday' in the Jubilee Hall, Yetminster, at 9.00 am. This is a new initiative introduced by Rev George which starts with breakfast at 9.00 am followed by music and singing. It would be lovely to see some school families sharing in the fellowship.

Finally, we have heard from Pippa Saunders today who has confirmed that the climb is going well and Matt is nearing the summit of Kilimanjaro. Thanks to the generosity of you all, we contributed **£528** towards Matt's target of £3,000. Thank you all **SO** much for supporting this worthy cause. Matt's team have raised a whopping **£30,000** for the charity in total and Matt will be coming in to school upon his return to share his experience with the children.

Upcoming events

16th and 17th July Wind in the Willows There are still tickets available in the school office for the summer production. We would love to have a full audience for all performances - the children of Performing Arts Club have been working SO hard to create a high quality production for all the family to enjoy. Please do support the children by coming along to the shows.

Friday 19th July Brownsea Island

We are all very excited about our whole school visit to Brownsea Island. Please remember to bring your children into school for **8.30 am** so that we can make a prompt departure in time for the ferry. Thank you.
