A message from Mrs Simpson

Welcome back to a new school year! May I say how smart and enthusiastic the children look this week. It is great to see everyone wearing school uniform and showing that real sense of 'belonging' to our school community!

This summer has seen some changes within the school so please do come in and have a look at our new classroom and relocated school library.

We have also been progressing our project for re-wilding the school grounds and developing the site of the swimming pool. I am delighted to report that grounds work will start just before the half term break. There is a beautiful design displayed in the school hall for you to look at and a book to track the progress we are making. I am busy seeking funding at the moment and would be very interested to receive any suggestions and ideas to raise the £25,000 needed to complete the project over the next twelve months.

On 11th October, we are supporting the 'Ride and Stride' event which is an annual event run by Dorset churches. The children will be able to bring bikes and scooters to school to complete their 'ride and stride' and we will send more information about the event nearer the time.

Many Blessings

Our Harvest Celebration is on 4th October at 2pm in church. All Welcome!

REMINDERS
