Charity walk

Mason and Austin completed a challenge they set themselves of walking 10k whilst continually passing a rugby ball between them. We defiantly underestimated how far 10k was, it took us 2 hours and 55 minutes starting at 10:15am and finishing at 13.10pm. we walked through the estate here which has lots of beautiful woods, rivers and fields. They did absolutely incredible. Austin became tired at points and his hands were numb as it was extremely cold so Gavin hopped in. Mason didn't stop that ball moving once, he was a trooper.

So far they have raised £540. on their just giving page and around £50. on their sponser form This is all for an amazing cause, The Motor Neuron Disease Association.

If you would like to donate you can use the following link:

Thank you

The West Bay Juniors

The West Bay Juniors fish from March until December and run two leagues in summer league and a winter league in February. There is a trophy ceremony at the Jurassic Fun Center with bowling and pizzas which is a really good fun for all involved.

My dad Ben runs the Junior section and he has fished for England so he has some good experience. we got lots of free gear from Shakespeare tackle so there is enough for everyone to fish for free! We give bait and everything else needed, you don't need anything to come as its all for free.

There are lots of prizes including 1st, 2nd and 3rd, First fist, most fish, smallest fish and biggest fish.

We fish one Saturday a month from 12-3pm on the East Pier at West Bay and have a really good time.

If you want to have a go please look at the West Bay Angling Club Facebook page or Website.
